

# Downtown Davis Cats

Let's work together to get cats into loving homes!

Buy 1 litter box per cat + 1 extra

Half wet food + Half Dry food diet

Long eye contact is aggressive, blinking shows trust

All kittens are born with blue eyes, then change.

You need to spay or neuter your cat!

After 1 year, a kitten is considered an adult

Cats can live for 20+ years

Cats only meow to humans, not other cats

Brush your cat's teeth to prevent problems later

## What To Know Before You Adopt 🐾

How many do you know already? Try to get a bingo.

4 Million  
Stray cats enter shelters every year

37% adopted

40% euthanized

Downtown Davis Cats is a ...

- No Kill
- Non-profit
- Cat Rescue
- Spay/ Neuter Clinic

## 🐾 Dear Parents.

Downtown Davis Cats is a non-profit organization aimed at rescuing stray kittens found around the UC Davis campus and downtown, and putting them up for adoption. We rely on volunteer work from foster programs and donations to find purrfect families for our kittens. We are a no kill shelter, offering spay/neuter surgeries at no cost and educational workshops for families looking to adopt.

Children have always played a large part in our mission of educating the next generation in pet care and animal rights issues. To prevent cats neglected or returned to shelters, it's important for every member of the family to understand the responsibility of pet ownership before they adopt.

But we can't do this without your support.
